

Original, High Quality Replacement Arrays

Effectively eliminate toxins

Array lasts between 30-50 [30] minute sessions each.

Stainless steel for superior performance and longevity

0.25" phone jack fits most detox machines

Dual Coils [double coils instead of single]

The coils are doubled and transfers more energy to the water

Be sure to clean your array after each use

**Clean with dish soap and water,
then you can soak in white vinegar,
soak in 100% white vinegar for 10 minutes or
soak in 50/50 water and vinegar for 30 minutes.
You can clean the inside with the brush that comes with your machine.
If you have more than one person using the array,
you can soak in a hospital grade disinfectant for 10 to 30 minutes,
rinse with water and let air dry.**
